Maypole Dancing

Huge congratulations to our Maypole Dancers who
performed with great enthusiasm and skill. They danced
solidly and energetically for twenty minutes, everyone
knew the choreography to a tee. Well done Poppy,
Phoebe, Ellie, Charlotte, Amelia, Lexie, Grace N, Lily,
Lucy, Leah, Jessica, Honey, Darcy, Florence, Matilda,
Isabella and Caitlin. Charlotte said, 'We had lots of
different coloured ribbons and the Maypole was high.'

A day in the life of Burton Leonard School
(well... a 20 minute snapshot on Thursday
afternoon!)

Class 3 had their musical-geography lesson
outside and Grace B, Helena, Daniel and Beth
taught me the water-cycle rap they had
composed. Grace said 'We are putting out
learning to music, learning about storms and the
water cycle. Creating music by gargling is so
much fun! I learnt how to rap and the meaning
of new words like precipitation, evaporation,
transpiration, condensation - loads! River
excitedly gave me a tour of the reception boys
jet wash, 'Richard made the speed bumps and
Jake is drawing the drain plan on the ground in
chalks for safety.' Isaac said 'I'm waiting my
turn my car is ready to be washed.' Faith, Lily,
Ruby, Amelia, Lucy were in creative flow
performing puppet shows. 'Mine is on Jack and
the Beanstalk, I made a 3D picture of the
beanstalk,' reported Faith, 'I got my writing
about it first, I love writing, we are working
together us girls,' said Lily. Ruby read her story
to Poppy (who took a break from doing her
'homework') and I: 'Jack went in the castle,
Jack sneaked in.' Class 2 were at Eden Camp,
Ellie said, 'It was amazing, tiring and we learnt
that they only had 3 eggs a month in war time
because of rationing and the children wore gas
masks just in case of attacks.'
