### Inspire, Believe, Respect, Achieve Together We Shine

Congratulations this week to:  
Lochlan - for amazing five year old writing; Lucie - for inspirational effort, you give it your all; Lucas - for passion and enthusiasm in maths, for learning from mistakes and enjoying a challenge; Florence and Darcy- for enthusiastic dancing and singing your hearts out at young Voices; Harriet - for inspirational art work, using Andy Warhol's style with your own interpretation (great maths, spelling and writing too); Elliot - for a thrilling sci-fi story embracing all the criteria of a Year 6 writer! The teachers nominate two people from each class who have gone the extra mile with presentation. This week Faith, Lucie, Horatio, Isobella, Harry and Abi have presented their work to a very high standard. Nominated for showing our value of **respect** this week we have Phoebe, Matthew, Beth, Lexie, Reuben and Tom E.

### Recycling Challenge!

As well as saving stamps please could we ask for old spectacles and old phones so we can exchange them with Captain Rummage at the Cone Exchange in Harrogate for creative materials! Mr Suter brought in 1,000 stamps on Monday - many thanks to his company for saving them! Mrs Hawkes has been able to exchange them for fabric, pipe cleaners, corks and cones for design technology; an 'easy-peasy' way to save school money and help others in the process!

### Support Burton Leonard School by shopping online!

You can help school raise funds by using the Giving Machine when shopping online. A letter has been sent to all our families showing you how to set up. It is so easy to go through the Giving Machine before you shop online at Amazon, eBay, John Lewis, Boots, Marks and Spencer, Next...the list of shops, travel companies etc. signed up to the Giving Machine is endless; when you think that school actually loses out by us not using it! FOBLs are raising funds to enhance learning experiences for our children. Thank you for your support.

### Young Voices Extravaganza

What an adventure KS2 had on Tuesday 10<sup>th</sup> January in Sheffield as we sang to an audience of 4,000 people in a choir of over 5,000 children! Nothing can prepare you for the sound of thousands of children singing in harmony and boogying on down! Len said "It was great, literally thousands of children were singing and it was really loud and I loved the beatboxers called The BeatBox Collective." Kitty loved "when the lights went off and everyone shining their Young Voices lights and they looked like stars." Jamie liked "the sound of everyone together in harmony, the power." DVDs can be ordered via <http://www.youngvoices.co.uk/>
