Many congratulations this week to our amazing Beth. She entered a Young Writer's Crazy Creatures writing competition and her work is going to be published! 'Crazy Creatures - North Yorkshire Tales' is due for publication in late September so watch this space! Thank you for all your donations of plants for our tubs. Huge thanks to Mrs Richardson and Mrs Powell and Class 1 Gardening Centre for their hard work. The tubs look stunning and make us feel happy.

### Business Enterprise

Many thanks for your continuing support of Class 3 and their Business Enterprise schemes. The 'Splash and Crash' water balloon cake was baked by Sue as a thank you to Archie, Reuben and Isabella for being amazing buddies to all Reception children, helping them to settle straight away and taking care of them in school. The cake was won by Mrs Withy!

### Summer Fair - Children booked into After School Club

If your child is booked into After School Club on Thursday Mrs Bland will take them round the Summer Fair first and then organise play and snacks as normal. Your child may bring spending money for the Summer Fair in a named purse/wallet/envelope and Mrs Bland will take care of them and supervise spending.
