Many thanks to the village community for the wonderful support we receive as a school. Mrs Slater's book sale and Grandad Bishop's steam engine rides raised £150 which they kindly donated to school. Thank you very much from all of us here at Burton Leonard School!

Business Enterprise

Class 3 are launching their Business Enterprise projects over the coming weeks, culminating in various stalls at the Summer Fair on 22nd June 3.30pm - 5pm.

The children have received their £5 start-up investment from FOBLS and have formulated the first stages of their business plans. Each business has booked time in school and after school to sell their wares. Children in all classes are welcome to bring a name purse/wallet into school to buy goodies at certain break-times if they so wish.
Grace D has a Bake Sale after school on Monday after school and then at morning breaks on Tuesday, Wednesday and Thursday. If she has anything left she will have another sale after school on Thursday. She will be selling cake pops for 20p and lots of other goodies!

Elliot has a 'car boot' style sale after school on Tuesday and Wednesday. Ruby, Sophie and George will be selling homemade slime at morning break on Wednesday and Evie's 'Truffalo' business is offering a 'try before you place your order' on Wednesday as well. After school on Friday we have a range of stalls for your delectation. There is a rumour in the business world that Reuben may be selling off his Dad's 'Fat Rascal' recipe...only a rumour so
