Class 2 Parents Lunch on Friday

A note from the Chair of Governors:

Dear Sue and all your other helpers!

Just a note to say thank you for a wonderful lunch. I have not had lasagne as tasty since my mother last made it! (please bear in mind that she is Italian and I have had my fair share.

Don't say you can tell!) Everyone I spoke to enjoyed it immensely and it is a great credit to you and your efforts for providing such an excellent service for our pupils. I do hope you are enjoying being with us as much as we enjoy and appreciate what you do for all at school.

On behalf of the Governing Body.

Steven Withy

Thank you for making our school special...

We would like to say a special thank you to our school governors who work tirelessly behind the scenes interviewing pupils, report writing, invigilating SATs, checking health and safety, hearing readers...the list is endless. Thank you to fabulous FOBLS who work incredibly hard to ensure our children receive the very best opportunities to enhance learning with their fundraising efforts. Special thanks to our wonderful Library Grannies who guide our children to exciting literature, instil a love of reading and maintain our beautiful library.
