Inspire, Believe, Respect, Achieve Together We Shine

Well done this week to:

Faith - for fabulous reading using phonics and known key words!

Lexie - for persistence and hard work, well done
Michael and Henry - for putting in lots of effort in maths and enjoying number work

Grace D and Matilda - for consistent hard work in everything, you do yourselves proud
Thank you to Lorcan and Henry for being our lunch callers this week

Thank you to Abi, Loukas and Grace B for sweeping the leaves in the class 1 outdoor learning area
Thank you to everyone who supported our Red, White and Blue day on 14th October, we raised £76 for the military charities.

School Choir

We are keen to start our own school choir and wonder if anyone could support us in this new venture please? Come and see Mrs Townson if you would like more information.

Looking after ourselves!

We had a visit from PCSO Sharon Wilson. She came to talk to Class 1 about Stranger Danger and keeping ourselves safe. Reporter Theo said, 'She told us if someone came to our gate, you don't go with them because your Mum wouldn't know where you were going.' Wise words.

Parent Governor

We are delighted to announce Mrs Fallis as our new Parent Governor. Mrs Fallis already plays a huge role in the life of the school as Chair of FOBLS and hearing readers in school. We look forward to working with her in her new capacity as School Governor.

Playground Equipment

At long last the playground equipment is mended and fit for purpose! The whole school community would like to thank Mr Slater for his hard work and involvement in securing the safety of the equipment. We could not have done it without him. Thank you, Mr Slater. School Council will be looking at replacing the old trim trial with the next phase of new exercise equipment. In response to pupil questionnaires and moving forward our aim is to have this installed ready to use in Spring 2017.

Fire Service Visit

Reporter Reuben said, 'The firemen talked to us about fire safety and fire alarms in our houses'.
Simon said, 'They taught us about the fire engine, the different types of ladders and equipment and the different types of hoses and how strong their fan was'. Reporters Lexie and Grace loved going in the fire engine and said, 'The fireman said keep away from fireworks after they have been lit'.
