Tennis Tournament Success

Many congratulations to Tom E, Leah, Ellie and Jamie. Their team came first in the Ripon Cluster Year 3/4 tennis tournament at Ripon Tennis Club. They showed great team spirit and encouraged each other all afternoon. The tennis centre staff commented on the brilliant behaviour of all our children. Well done Class 2!

Musical Fun in Class 1

Theo said 'We've been learning the Cookie Song; our aim was to keep the time right and to the beat.' Lexie said 'Our voices change with different emotions.' Caitlin said 'We could sing in a high voice or a low voice, loud and quiet too.' Edward said 'we love the steel band playing when we sing 'in the jungle the mighty jungle the lion sleeps tonight.' Simon learnt that the 'steel pans are bent so that each apart is a different note, a different pitch.' Making learning fun!
