

## English

In English this term we have some very exciting things to learn about!

First we are looking at Stone Age Boy by Satoshi Kitamura. We will be up levelling our vocabulary by learning how to use a thesaurus to find synonyms of words. We will also be focussing on reading comprehension.

## Art/DI

We are drawing this term and our focus is the human body. We will be learning how to draw faces and how to draw realistic bodies.

## Notes

PE is on Tuesday and Friday  
Homework out Friday, due in  
Wednesday  
Spelling test Friday  
Times table test Friday

# Class 2-

Dear Parents,

What a superb start to the year we've had!

PE remains on Tuesday and Friday afternoons. Please ensure your child has PE kit every week.

We are currently exploring the Stone Age so if you have any wonderful artefact, we'd love to see them!

Thank you!

## Science

In science we are looking at 'Animals Including Humans'. We will be looking at nutrition, skeletons, bones and muscles.

## PE

Ian will be teaching Class 2 rugby this half term and Mrs Heys will be trialing REAL PE with Class 2 on Fridays.

## History

Our history topic this term takes us back thousands of years to the Stone Age all the way through time to the Iron Age.

## ICT

In our ICT this half term we will be looking at programming and robotics.

## Numeracy

We are covering so much in numeracy over the term that this box didn't seem big enough! If you could support your child with learning their times tables that would be fantastic.

## RE

Mrs Hawkes will be looking at different symbols with the children this half term.

## Music

Mrs Hawkes will be learning songs for the Young Voices music festival.
