Inspire, Believe, Respect, Achieve Together We Shine

Congratulations this week to;

Jessica - for having a go all on your own

Simon - for being a gentleman

Lexie, Jack F and Matthew for super effort in German

Charlie - for making great progress in reading and now enjoying reading

Jared - for always being ready to learn with a positive attitude

Harriet - for just being you!

Hardworking, kind, well-mannered...you are a super role model

Ruby M - for keeping your cool during Business Enterprise and making sure it was a great success!

Sports Day on Tuesday 27th June at 1pm

Please can all children have sports kit in school on Monday. Children will need a T-shirt of their team colour to wear on Sports Day:

Red Kites - Red

Kestrels - Green

Golden Eagles - Yellow

Peregrine Falcons - Blue

Sun hats and water bottles are essential. Please ensure 8 hour sun cream is applied before school. FOBLS will be serving refreshments afterwards.

Let the fun begin!

Keeping our children safe

<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/>

We teach e-safety as part of every computing lesson. The link above is useful for parents. On Thursday 6th July PSCO Phil Wright will be holding an e-safety awareness workshop for all parents. The workshop will start at 6.30pm no matter the age of your child/ren we would love to see you all there. PCSO Wright is happy to answer any questions.

Fun with trees!

Ian Johnson from came into to work with Class 1 as part of our link with industry. Lochlan was very excited: 'First we looked at some leaves and on the sandpit there was a tree! Not a big one...we did a treasure hunt finding things like different leaves from different trees but we didn't get them off the tree, they were just on the floor.' Richard said 'We collected all sorts of leaves, berries, buttercups, helicopters, buds and seeds outside the school and we had to stuck them onto our leaf shaped card. It was lots of fun and I learnt the different leaves on the trees.' Class 3 were challenged to make a tree trail in our grounds as Mr Johnson was impressed with the number of varieties we have. Come along and see what the children found on the display of leaves in Class 1!
