### Inspire, Believe, Respect, Achieve Together We Shine

Congratulations this week to;  
Jamie - for good team work to collect information to draw your bar chart  
Caitlin - for always trying your best  
Josh - for showing us your how well you can do when you set your mind to it - fantastic WW2 writing  
Jared - for fabulous independent writing  
Sam and Helena - outstanding contributions to science in Class 3

Thank you to Class 3 for their inspirational attitude towards Business Enterprise. They embraced the challenge and made their £5 start-up contributions exceed expectation. The final total will be revealed this week.

### Burton Leonard 10km, and 3km Fun Run

The run takes place on Sunday 16th July starting and finishing in the school grounds. Details are on the website at [www.burtonleonard10k.co.uk](http://www.burtonleonard10k.co.uk)

Do come along and have a go! FOBS will be running a cake stall and as we are expecting a significant turnout, we would really appreciate as many donations of cakes/biscuits/ as possible.

This should be a good fundraiser! Baking donations can be either dropped off at school, or given to Karen Fallis.

Thank you from Georgina Bordewich

### Guinea Pig Goodies

'We loved our Business Enterprise so much that Anieke and I have continued dog walking in Burton Leonard and Farnham and we decided we would donate the money raised to our guinea pigs, Farrah and Bolt. So far we have made over £50 and we have bought them a playpen, a seesaw, a bridge, a tunnel and we plan to buy them some treats. So far they love the tunnel, they like to hide in it! If you have any ideas of fun things to buy them please let Harriet and Anieke know.'

### School Ambassadors Colour-Run Triathlon and Muddy Boots Assault Course

Daniel B reported on the School Ambassador project: 'We had to cycle first and we were timed, we knew who'd won after each aspect; then the colour run took place in a little lane and teachers and children threw buckets of cold water over us and powder paint was thrown at us too and then a hose pipe was squirted n our faces, we were slipping everywhere! We were joint first with Skelton.' Isabella reported on the Muddy Boots Assault Course: 'It was so much fun! Daniel and I had to run round an obstacle course, stepping in and out of tyres, over hurdles, scramble through a camo-net and run down into muddy woods where we were squirted with water guns. It was a brilliant experience. We get to work with other schools, make new friends and do challenges together.'
