Inspire, Believe, Respect, Achieve Together We Shine

Our special certificates are awarded to:

Inspire: Faith - for inspiring your friends with your ever positive attitude to your school work and learning;

Ellie - for showing inspiring perseverance in problem solving in maths;

Lenni - for producing articulate reasoning in maths and inspiring others to raise their game;

Believe: Lochlan - for believing you can do it and you can! Fantastic writing this half term.

Honey - when you believe in yourself it is amazing!
There is no limit to what you can achieve!

Jared - for believing in yourself and having a great start to Class 3

Respect: Charlotte Y - for having the most beautiful manners and being a conscientious energy monitor

Elody - for always being kind and helpful

Thomas R - for showing respect and having beautiful manners

Achieve: Richard - you always work so hard and deserve all you have achieved this half term

Lorcan - for an amazing story based on Horrid Henry with excellent sentence construction

Ruby M - for trying hard to improve in writing and maths with great results

Thank you to FOBLs and Mrs Whild and Mrs Bland for a fun-packed Pumpkin Tea on Thursday - a good time was had by all!

Poetry Recital

We were all impressed with the standard of poetry recital this week. Lots of children of all ages had learnt their poems off by heart.

There were props and costumes galore! Democracy was in action as each class voted for the best performance; the stakes were high - prestige and a £5 gift voucher from the Little Ripon Book Shop. The children were looking for annunciation, facial expression and body confidence. They voted for Faith in Class 1, Reuben in Class 2 and Grace D in Class 3.

Folly Competition

Class 3 have been working with architect Kate Macneill, Managing Director of GIA - MAC Architects LTD. Their challenge is to design a new folly for the water gardens at Fountains Abbey and Studley Royal. The children are being creative and attempting to encapsulate the spirit of historical follies by making their designs fun to make people smile. It is intended that a full size folly will be built from the winning design and unveiled at Fountains Abbey and Studley Royal in May 2018. The installation must fit within a space of no larger than 3 x 4.2 metres and can be any height and of any form, decoration or material. The closing date for the competition is 5pm on Friday 3 November 2018.
We are working hard!
