5<sup>th</sup> September 2017

Dear Parents

Welcome back to school, we hope you had a wonderful summer. I would like to take this opportunity to explain Class 3 homework.

All homework is due in on Mondays and should be completed in the one book provided. Each piece is dated as to when it needs to be completed and brought to school to mark in class.

The weekly maths and spelling homework is stored as individual PDF documents in the Class 3 homework folder on the Common K drive on our school network. To access the school network from home, children will need to use Foldr app. Children can either access the school network using a web browser and the following link or by downloading the Foldr app to their tablet:

<https://foldr.burtonleonard.n-yorks.sch.uk> .

Foldr – Common (K) – Class 3 – Homework – Maths homework. All children know how to access the school network with their username and passwords.

May I take this opportunity to welcome your child to Class 3 and if you have any questions please come and see me.

Yours sincerely

Mrs Amanda Townson  
Headteacher
