

English

In English this term we have some very exciting things to learn about! First we are looking at familiar settings based around the books of Horrid Henry by Francesca Simon. Then we will be moving on to look and plays and poetry. Our first poetry recital of this year will be on the theme of Indian and take place on Thursday

19th
October.

German

We will be continuing with our German, looking at portraits and how to describe them. Then we will be moving on to look at festivals,

Art/DI

We will be learning how to improve our drawing skills and in DT we will be looking at food technology. We have already worked with clay to make coil pots and plaques.

Notes

PE is on Tuesday and Friday
Homework out Friday, due in Wednesday
Spelling test Friday
Times table test Friday

Class 2-Autumn

Dear Parents,

Welcome to the Autumn Term!

PE remains on Tuesday and Friday afternoons. Please ensure your child has PE kit every week.

Please ensure your child has at least their trainers in school every day in readiness for our Daily Mile and also make sure that your child has a named water bottle with them each day.

Thank you!

Science

In Science we are looking at Animals including Humans, we are turning into personal trainers and looking at the diet and exercise of different 'clients' so that we can best advise them how to improve their general health.

PE

Ian will be teaching Class 2 and we are exploring Personal Skills through football and will be moving onto Social Skills and the Paralympics.

History

Our History topic this term takes us back to Roman times. We will be looking at aspects of Roman life, mosaics, Boudicca's Rebellion and much more. We are also hoping to visit a Roman site later this term.

Computing

We will be using 2Code to design and write programs using loops and if statements. The children will also be blogging on their learning and sharing their animations on the Purple Mash Displayboard.

Maths

In Maths we are starting with Place Value, then moving onto Addition and Subtraction and starting Multiplication and Division.

RE

Mrs Hawkes will be looking at whether a beautiful world means a wonderful God. Then moving on to look at Christmas and light.

Music

Mrs Hawkes will be exploring pulse and looking at Roman songs and accompaniments.
