### Keeping Safe and E-safety

Our new website is just about ready to go live - hoorah! There are some great links on it for parents about keeping your child safe online. On Monday 5<sup>th</sup> February 2018 we have Tim Pinto working with us in school; this is his website - <https://www.esafetyoffice.co.uk/> and he will be leading a workshop for parents in the evening so please save the date. In the meantime these websites are really helpful for parents.

### Looking after ourselves

We are talking to the children about the 5 Ways to Wellbeing. <https://www.nhsinform.scot/healthy-living/mental-wellbeing/five-steps-to-mental-wellbeing>  
 Fiona and Debby came from Dementia Forward and said they 'were impressed by the intelligent questions' Class 3 asked and the children 'were a delight to speak to, very engaging and enthusiastic with a very healthy willingness to share.'
