### Inspire, Believe, Respect, Achieve Together We Shine

Congratulations this week to:  
Holly - for your enthusiasm and excitement to learn;  
Jack D - for making great contributions to Class 1 learning; Charlie - for excellent questioning about solids and liquids in science; Oscar - for perseverance in maths, learning new methods for division; Thomas and Phoebe - for working independently to solve problems using equivalent fractions. Many congratulations to Jared who is our highest scorer in Mathletics - wonderful work Jared! Thank you to Daniel F and Lucie for being our lunch callers and giving a helping hand in the hall. Beautiful presentation this week from Faith, Darcy and Thomas. Our focus Christian value this term is 'respect' and well done to Beth, Matilda, Ruby, Bethany, Isabella, Faith, Poppy, Monty, Charlie, Daniel F and Daniel B for demonstrating this value in the playaround and around school.

### Tim Pinto e-safety day Save the date - Monday 5<sup>th</sup> February

Tim will be in school all day.  
Parents' sessions - **2.00pm** (please note change of time) and 6.00pm giving practical tips on how you can keep your children safe when using the internet and technology at home.

### Infant Agility

Honey, Elody, Lucie, Bethany, Caitlin, Isaac, Amelia, Faith, Ruby, Barnaby, Richard, Lucy, Poppy, Jessica and Charlotte Y went to an agility tournament at Outwood Academy. Faith said: 'I got better at throwing the velcro balls onto the target and getting them into the middle.' Charlotte Y said: I got better at jumping side to side over the foam triangle 20 times.' Lucy loved 'throwing the javelin' and was awarded the Spirit of the Games wristband for 'honesty.' Congratulations Lucy!

### Cinderella Pantomime Fun!

Oscar 'loved how funny Buttons was and there was a talking teddy 'Bertie from Barnsley' and the enchanted forest was very scary in 3D. I liked it when the fairy godmother sat on the moon high up on the stage.' Lexie said: 'The best bit was when they were on the carriage in the air going to the ball because I wondered how they created the flying horses. We were thinking maybe it was a hologram - it was very clever animation. When we wore 3D glasses it actually looked like the creatures were coming out of the forest.' Aimee said: 'The Alhambra Theatre was a beautiful place, the stage was huge and when Buttons was looking for Cinderella the crowd were sprayed with water, luckily not us. The songs were just amazing!'
