20<sup>th</sup> July 2018

Dear Parents

Every year I wonder at the achievements we have made throughout and it always fills me with so much pride.

This year something changed which I didn't think it would from previous years. Maybe it was the good news with regard to the inspection but it wasn't just that if I am honest.

I can ignore the inspection to a certain extent because that was just a confirmation of what was already being achieved in the school.

In a nutshell I feel, (and the rest of the Governing Body feel the same way) that the school has come further than ever this year in its achievements. There have been so many to list.

It is all down to the majestic efforts of the Burton Leonard team that have made it so and it is a fantastic learning environment for the children.

I have to say without any doubt that this has been the school's best year so far and I would go as far to say that it has probably been the best year that the school has ever had.

My thanks again to all governors for their hard work throughout the year and of course to Linda, our clerk, for keeping us on track.

I wish you a good break and thank you for all your support throughout the year.

Yours sincerely

Mr Steven Withy  
Chair of Governors
