

Teachers Weekly Update

Friday 16th October 2026

Next week...

We have already started our art week this afternoon. We will be looking at 'tone, texture and proportion'. We will start with exploring texture and tone with lines and mark making techniques. Then we'll investigate how to understand proportion by observing how it is used in artwork. Finally, we'll move onto looking at full compositions and what makes an effective composition that will eventually include skilled use of texture, tone and proportion in a final drawing.

On Wednesday, the Year 3s and 4s will be off to Outwood for their rearranged dodgeball tournament – fingers crossed for some better weather this time.

Stars of the week

Recommended Read

Fans of Katherine Rundell's previous books will have high hopes for this, and dare I say it may be her best yet. Full of adventure, mythical creatures and character growth. The story follows a boy's adventures when he discovers a cluster of magical islands on which all sorts of mythical creatures are really alive. He teams up with a local girl on a magical quest to save the islands.
