

Teachers Weekly Update

Friday 19th September 2026

Next week...

In maths Year 2 are focusing on place value of numbers 1 to 100. Year 3 are looking at addition strategies.

In our English writing, we will continue to explore our class book: Goldilocks. We will retell the story in our own words and explore different viewpoints using role play.

We will also practise our transcription skills. We will look at the different letter families and think about how to form letters ready to join.

In our reading comprehension work, we will continue with our class book: After the Fall.

In science, we will continue our topic on habitats. We will think about the difference between things that are alive, were once alive or have never been alive.

In PSHE, we'll start a new topic focusing on connecting with others.

In geography, we'll continue to look at the world map to find the coldest places on Earth.

We will also start our new RE topic, which focuses on Christianity and Gospel.

Stars of the week

Jacob. You are living out all our school values every day and have made a wonderful start to Year 2. Your maturity and dedication to your learning shines through. Well done!

Isabelle. What a fantastic start to the year! You have shown such kindness to your classmates, been so helpful around the class and school, and shown how keen you are to push yourself to do your best learning. Well done!

Recommended Read

This week's Merlin Class recommended read is...

'George's Marvellous Medicine' by Roald Dahl.

We enjoyed reading some Roald Dahl together last week to celebrate Roald Dahl Day. Here is one of my personal favourites!

One day, when George is put in charge of giving Grandma her medicine, he wonders if he can come up with his own remedy to try and help Grandma become less of a grump.

Using some rather unusual ingredients, George creates his magic medicine. But will it stop his grandma from being so horrible . . . or will it shoot sparks out of the top of her head?!
